Blank Children’s Hospital Presentation

---

**ABOUT REGIONAL CHILD PROTECTION CENTER AT BLANK CHILDREN’S HOSPITAL**

The professionals at the Regional Child Protection Center (RCPC) work daily with our some of our most vulnerable patients at Blank Children’s. These patients have faced issues of abuse including: physical, sexual, mental, neglect and drug exposure.

The RCPC brings together a team of specialists skilled in the medical and psychosocial assessment of children who have been abused. Additional pediatric specialists at Blank Children’s are available for consultation and medical treatment as needed. It is the goal of the multi-disciplinary team to work together in the investigation, treatment, and prosecution of child abuse cases in central Iowa.

Most importantly, these services are all offered in an easy to access, child-friendly environment with professionals who put the child’s health, well-being and safety first. The center helps our patients begin the process of healing to have a healthy and productive life.
